

Quality work and affordable packages in a new state-of-the-art facility.

Customers can expect high-quality service and a first-class automotive detailing experience. Our detailing bays are fitted with the best equipment, professional quality detailing products and top of the line hydraulic hoists.

We aim to reverse and prevent the signs of aging that normal wear can have on your vehicle. With procedures and techniques used by top automotive detailing professionals, we help to **protect your investment.**

? DID YOU KNOW?

A vehicle that has been dealer maintained and dealer protected will very often be worth more at the time of resale. By enhancing your vehicle's appearance 2 or 3 times a year with a detailing package, you will protect your vehicle year round.
